Re: Pechner-James and Fernandez v. City of Revere, et.al.

Dear Messrs. Akerson and Poor:

I am in receipt of the letter dated today and the proposed deposition schedule. I am requesting a change in the schedule for May 18, 2006. I recently had to have my right knee drained in an emergency room procedure because of a fluid buildup. As a result, an appointment with an orthopedic surgeon was scheduled for 10:30AM on May 18, 2006. I would probably be able to commence at 1:00PM if the deposition were moved to Boston or Revere. I would rather do that as opposed to rescheduling the entire deposition.

Please let me know your collective thoughts on this?

Very truly yours,

  
James S. Dilday
